

How to find us

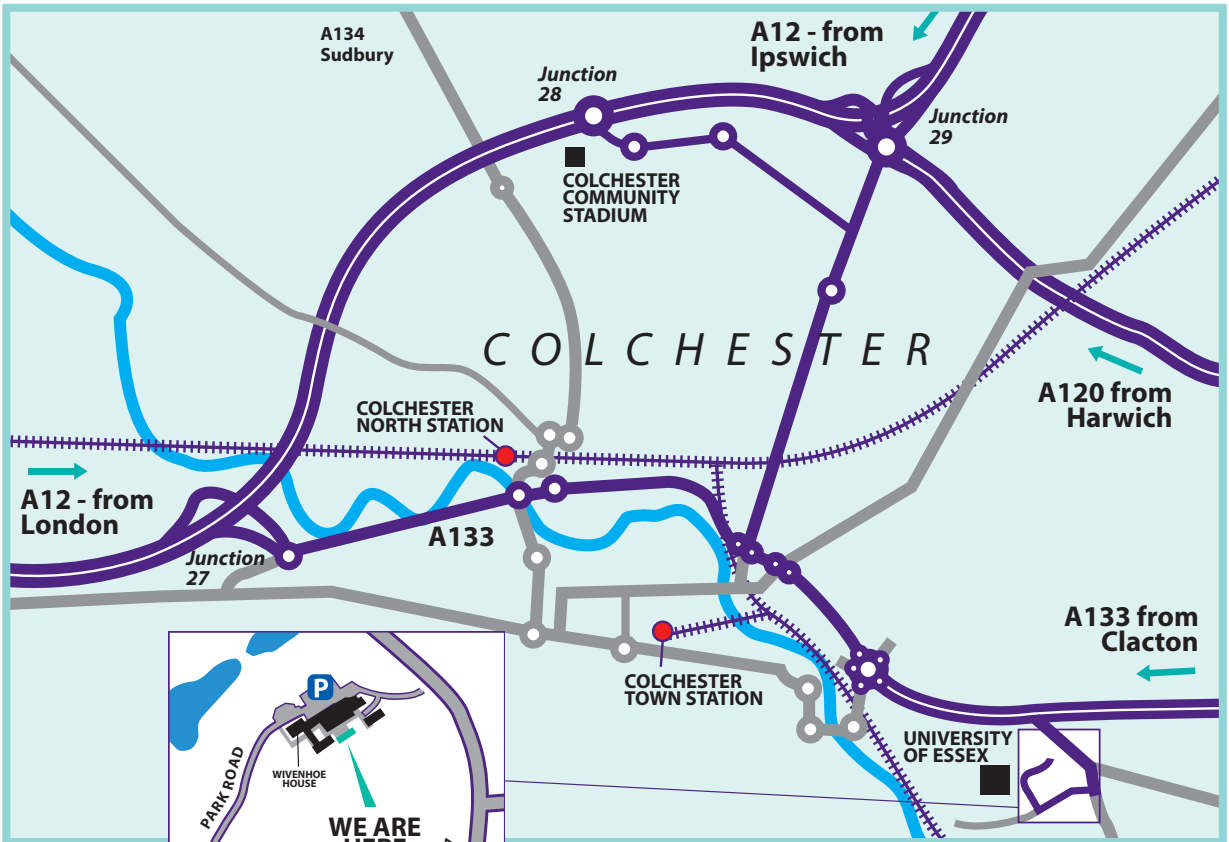

We are based on the Colchester Campus of the University of Essex:

Directions

Once you have left the A133 and are on the road into Wivenhoe, you will see the main entrance to the campus on your right. Turn into the campus - you are now on Boundary Road. Take the first right into Park Road and follow the signs to John Tabor Building. You will pass Wivenhoe House and enter the Constable Building Car Park (car park closest to the lakes at the top of the map below).

Visitor spaces are reserved in front of the Constable Building.

John Tabor Building is accessed through the central corridor of Constable Building.

*NB: If using satnav enter **Wivenhoe** as your destination. You will turn off the A133 on to the B1027 and see the entrance to the university on your right after about 500m. Do not use the postcode as this will take you to an entrance with no vehicular access to our building.*
