

Entry 1 Continuum Exercise

- Select one of the units from the Personal Progress units
- Consider an activity or activities that will provide learning and assessment opportunities for the unit.
- Describe your thinking behind the choice, e.g. what the aims of the activity are, what sort of group it will be aimed at, how it is a relevant experience for the group or individual
- Suggest the sorts of outcomes this activity might have in terms of different levels of performance from the learners, what evidence is produced and what stage of the continuum would you assess them to be at for different responses
- What sort of entry might you make on the transcript.
